

## Starlight Walk Volunteers

All registration and sponsor money is given to Macmillan so we require volunteers to help us stage this incredible event.

Could you offer some time?

- Help late evening until midnight getting the walk started, giving directions to toilets, car parking, selling T-shirts etc.
- Marshalling the route: Volunteers work in pairs and are allotted a place(s) along the route. Their role is to keep the walkers going, both in the right direction and 'in spirits', by offering encouragement and making sure they are safe. All marshals are issued with reflective vests and are supervised by mobile marshals. If you can spare an hour or two that's great. If you can assist until the end of the walk even better.

## On the move at midnight

The Starlight Walk is exactly what it says it is. It's a walk at night under the stars. Participants walk 13 miles around Norwich's Outer Ring Road, starting and finishing at the Sportspark. It's not a race. It's definitely just a walk and it's a chance to enjoy the company of other walkers as you raise money for Macmillan.

Most participants find the walk takes them around 4 hours, but of course there's no rush. Everyone does the walk in their own time and on your return we provide you with a lovely hot tea or coffee. We'll also ensure the route is marshalled and first aiders and support vehicles are on hand.

## Everyone is welcome!

Men and women are all welcome, but please leave your pets at home.

There is a single entry fee of **£25** which walkers can make as a personal contribution or collect in sponsorship from friends, family & colleagues, but it must be sent with the registration form, prior to the walk.

## Unique to the Starlight Walk

Due to the generosity of all sponsors and supporters **every penny of your application and sponsor money goes to Macmillan Cancer Support.**
